ORDER OF DISMISSAL

JESSE M. FURMAN, United States District Judge:

The Court having been advised (Docket No. 47) that all claims asserted herein have been settled, it is ORDERED that the above-entitled action be and is hereby dismissed and discontinued without costs, and without prejudice to the right to reopen the action within thirty days of the date of this Order if the settlement is not consummated.

To be clear, any application to reopen **must** be filed **within thirty days** of this Order; any application to reopen filed thereafter may be denied solely on that basis. Further, if the parties wish for the Court to retain jurisdiction for the purposes of enforcing any settlement agreement, they **must** submit the settlement agreement to the Court within the same thirty-day period to be “so ordered” by the Court. Per Paragraph 4(B) of the Court’s Individual Rules and Practices for Civil Cases, unless the Court orders otherwise, the Court will not retain jurisdiction to enforce a settlement agreement unless it is made part of the public record.

The parties are cautioned that, in the event the case is reopened, they will be granted only seven days to file their joint pretrial order and related submissions (the amount of time they have remaining now).

Any pending motions are moot. All conferences are vacated. The Clerk of Court is directed to close the case.

SO ORDERED.
